Bloop!
Bloop!
Bloop?
MRK?
FLAP!
FLAP!
FLAP!
BLUK?

SNAP!
SQUAK!
POW!
KA-KAW!
KA-KAW!
Yeah! You better run, you feathered vermin!
And there's more where that came from, next time you try eating people on Ruin Island!
Hey there, fella? Mister? Do you need a doctor?
poke!
Come on, say something, anything!
(whimper)
That'll work! C'mon, stay awake, I'll go get help!

Help me... please...
Hey, it's okay, there's an inn. I work there, I'll find some help.
AH!
GRAB!
Where, I, I can't, it hurts! Make it stop, get me out! Something's gone wrong!
Whoa, hold on, I can get you help, but you have to let go!
Don't go! Please! It hurts! I can't get out! It's not supposed to be like this... I think I'm scared...
It's okay, you're safe now. I'll go get the doctor, but I need you to let go!
I can't.... I can't feel my wings.
PLOP
Oh, Credenza, what have you gotten yourself into this time?

BAM!BAM!BAM!
Zzzzzzzzz (snort)
BAM!
BAM!
ZAHOOP!
Hnnnn, I'm up! I'm up already!
CLUTTER
You'll have to come back in the morning! I'm off duty!
You're a witchdoctor! You're always on duty!
Wha... this is Credenza isn't it.
Jan! It's an emergency!
K-CHOK!
With you Credenza, it always is. Recurring dreams again ? Or is the inn on fire-
WHUMP!
Sorry Jan! He's awfully heavy for a little guy.
S'okay... no problem.
These cuts can be fixed. But his eye will require more substantial healing methods.

He'll be okay, right?
He'll be fine, once he's bandaged up. I'm more worried about who he is.
He could be a dangerous criminal, or a shipwrecked madman. Did he say anything to you?
Uh, nope! He was unconscious by the time I found him.
Ah well. I'll need some tools from the inn, we'd better move him.
I'll get the stretcher.
Oh, no need! I'll just teleport him. I've been experimenting with my magic.
Experimenting? Like the time you set your hair on fire?
Not at all! This won't hurt a bit.
ZOP!
POOF!
SMASH!
CRASH
TINKLE!
How about that stretcher?
Yeah, okay.

NYAWOOOOO!
Credenza, what do we do if Paolin forbids this guy access to the Talking Skull inn?
Of course he'll let him in, Jan! Paolin isn't heartless!
Maybe, but he's not going to be happy about your most recent charity case.
He's not a charity case! He's just a guy who needs our help!
But he could still be dangerous, and Paolin never takes chances.
Well, I couldn't just leave him there on the beach, could I?
Look, just get our friend inside and start fixing his eye. I'll do the talking.
THE TALKIN SKUL INN
Well Credenza, I hope you have a whopper of an explanation for tonight.
I've lost count of the number of times you've tried to bring dangerous, injured beasts here, but this is the first human pet you've taken on.

Of course he can't stay here, what if he's diseased? For all we know, he's a criminal!
He's hurt Paolin, I couldn't just leave him there on the beach!
And why was he on the beach? There hasn't been a storm for weeks!
He could be an evil spirit trying to use your good nature against you.
Now you're just being paranoid. Besides, that only happened once.
I just don't want you to get hurt, Credenza.
Look, tomorrow morning we'll put him on the ferry and send him to Coin Island. It's only a day's trip away.
I don't think he CAN sir.
He's too weak to be on his own right now. He's half-dead., He won't even be walking for a few days at the least.
Fine, he stays for now. But as soon as he recovers, he's gone!
You said the same thing about me ten years ago.
Don't make me regret it.

Now that we've got him somewhere quiet, I can get to work on stitching up the cuts around his eye.
Ohmygosh ohmygosh that is sooo gross.
Hey Vanesse, how 'bout you get more bandages for Jan?
Hey! That's a great idea! Thanks Credenza!
Heh, good idea. She always panics at the sight of blood.
Yeah, but we don't want YOU getting distracted either.
Whatever do you mean? I'm used to Vanesse, she wouldn't-
Come on Jan, you've been carrying a torch for that girl for nearly a decade!
Well, how could I not? She's beautiful, sweet, and good with plants and animals!
Then stop drooling and ask her to marry you!
I can't! Paolin and Korus would eat me alive if I tried to make a move on their sister.
Oh come on, they're not that bad.

Easy for you to say, you've been like a little sister to the Burilias.
I'm just the crazy witchdoctor that lives in the hut down the road.
Jan, you practically OWN Ruin island! If you would-
Hnnn?
Hey! I think he's waking up!
It's okay sir, this is Ruin Island. You're safe here. What's your name?
Nnnnn
Your hands are on fire.
What?
CHOMP!
AAUGH!

Jan! Are you all right?!
Ow, I think so. I'm not bleeding.
I don't want to be thrown into the water!
Credenza, I know you want to help this guy, but there's something WRONG with him!
(pant) (pant)
I forgot how to swim, but they won't believe me.
Please, we're trying to help you!
Nuh?
SCRABBLE!
CLATTER!
BAM!
WAIT!
